

# Cornhole Tournament

## Participant Information

- **Contact:** Kevin DiCastrì 218-984-2089 or Dave Bialki 612-363-5741
- **Registration:** Saturday at 10:00 am
- **Event Time:** Tournament starts at 11:00 am and play continues until done.
- **Entry Fee:** \$20 per team
- **Payout:** 80% of funds from entry fees
- **Roster:** TBD
- **Other:** Three sets of tournament boards will be provided. Please bring your own boards and bags if they conform to tournament dimensions.

## Cornhole Tournament Regulations

### Cornhole Board Dimensions

- The hole in each cornhole board shall be 6" in diameter. Its center shall be 9" from the top and 12" from each side of the board edges.
- The front of the cornhole board shall be 3 – 4" from bottom to top.
- The back of the cornhole board shall be approximately 12" from ground to the highest point of the deck.
- The board finish shall be sanded to a very smooth texture, and there shall not be any blemishes on the wood surface that might disrupt or distort play.
- The board can be painted with a semi-gloss exterior latex paint resulting in a surface that allows bags to slide but is not so slippery that it allows the bags to slide back down the board.
- Each cornhole board shall be 47.5" to 48" in length and 23.5" to 24" wide, made of smooth plywood that measures at least ½" in thickness. American Cornhole Association (ACA) sanctioned cornhole tournaments should only be played with wooden cornhole boards, as there is significant variance in play between wooden, plastic, and other surfaces.

### Cornhole Bag Standards

- The cornhole bags shall be made from two fabric squares 6.25" x 6.25" with a 0.25" stitched seam on all four sides.
- Bags should be made from durable fabric.
- Each bag shall be filled with approximately 2 cups of feed corn and finished bags should be roughly 6 square inches and weigh 14-16 ounces. ACA will allow the use of plastic pellets (All Weather Cornhole Bags) in lieu of feed corn.
